Korean Pork Ssäm

Medium: Photography

Artist Statement:

The COVID-19 pandemic led me to developing a passion for cooking. Throughout this time, cooking dinner for my family, I have prepared dishes from a variety of cuisines. Korean Pork Ssäm is one of my favorite dishes, with the crunchy roasted pork, spicy gochujang sauce, refreshing ginger glaze, and crisp radishes and jalapeños leading to a mouthful you won't soon forget.

Description:

What I love about this dish is the variety of colors showcased. The radishes' vibrant magenta edge contrasts beautifully with its pale center. The contrast of the black slate platter and the iceberg lettuce, combined with how the ssäm is pointed right towards you, invites you to take a bite!
