## **The Table's Edge**

**Medium:** Oil Pastel and black Sharpie

### **Artist Statement:**

I chose to create a piece of art that was dedicated to my grandmother who loves art. The handcrafted glass mug was a gift from her, as was my love of art, so it was only fitting I created something inspired by her.

### **Description:**

This is a 9 inch by 12 inch oil pastel drawing of a handcrafted mug, a vintage sugar bowl, and my favorite fruit.

**Status:** Exhibit only
