### **Artist Statement:**

Unmasking The masked

By: Karyss Pfeffer

I wear my mask like I've been told

I will obey the rule

But I didn't know it also meant

No friends, no sports, no school

Saving lives from COVID

Is why I wear my mask

But surviving isolation

Is just as big a task

Depression, anger, hatred, fear

Can cause a black cloud of commotion

I turn it on another

When unmasking my emotions.

### **Description:**

This art piece shows some of the feelings that I felt throughout the 2020 pandemic.
