Instructor: Rebecca Silva-Clinard

Carmine

Medium: Oil on Canvas

Artist Statement

Carmine was a piece started the summer of my ninth grade year, spanning up until the end of my 10th grade year. It's a piece that started as practice as a test as I had never done an oil painting following a reference, and became one of my better pieces to date.

Description

Simply an adorned woman in saturated hues painted with oil on a small beat-up canvas.

Status: Exhibit only
