## Faith

**Medium:** Oil paint

### Artist Statement

This painting is about my interpretation of the two sides of faith. The halo is beautiful and golden, but it is also dripping down the figure in a way that is reminiscent of Jesus' crown of thorns, so it can be taken as a blessing or a curse. There is beauty in faith but there is also pain in it, and self discovery. Religion is something that has both helped a lot of people and hurt a lot of people.
