Parker the dog

Medium: Charcoal and graphite

Artist Statement

This is a picture of my late dog Parker he past away last summer. It was vary difficult to let him go in the middle of the pandemic and I still dream of him. He was more than a dog he was family he was my brother and my best friend he was the best snuggler and he had the best bark and he was taken to soon so this is my tribute him.

Description

A picture of my late dog Parker in charcoal.
