School: Central Valley High School

Instructor: Rebekah Wilkins-Pepiton

Reflection II

Medium: Prismacolor

Artist Statement

Reflection II is the fourth piece in my AP Art portfolio; it correlates with my 3rd piece, Reflection. Reflection depicts an adolescent girl looking into a mirror at a terrifying, deformed version of herself. This piece, Reflection II, reveals the details in the zoomed-in eye of the previous piece, and it shows the adolescent girl's reaction to seeing herself reflected in the mirror.

Description

Prismacolor eye on paper.

Status: Exhibit only
