

# Talking Colors

**Student:** Becca Andruss  
**District:** Spokane Public Schools  
**School:** Lewis & Clark High School  
**Instructor:** Elizebeth Jones

## Talking Colors

**Medium:** Pen, markers, color pencils on Paper

### Artist Statement

With Covid I haven't seen any of my classmates faces. Smiles covered by masks, lowering the volume of their voices. This art piece symbolizes how Covid has in a way changed the value of seeing people mouths and letting them speak.

### Description

Graphic art piece of a highly stylistic mouth

**Status:** Exhibit only
