The Singer

Medium: Graphite drawing

Artist Statement

As people go through many challenges and tough situations, many including myself turn to one thing; music. I chose the artist Taylor Swift because I enjoy listening to her music and using her work as an escape. I put a lot of effort into this piece, and focused on making the eyes as realistic as possible to add depth. I hope my piece makes people feel joy and inspired.

Description

9x12 Graphite Drawing of Taylor Swift
