Medium: Pencil, ink, colored pencil

Artist Statement

This piece is a representation of my ultimate self, able to see all of the universe and it's happenings. The earth is interesting, but this piece represents my desire to explore the universe outside of the earth and it's confines.

Description

I began with pencil to sketch the piece out. I then went over it with an ultra thin sharpie to make the outlines bold and add some hatch shading. Lastly, I added colored pencil for the color.
