i remember

Medium: Tempera paint on canvas

Artist Statement

Els Leere (they/fae) is a non-binary lesbian exploring their relationship to faer body and their mental illnesses through faer art. They hope to help others feel seen, and to feel something tangible comes from faer experiences.

Description

A piece for the anniversary of one of the many times I did not have control over the sexualization of my body. The person who hurt me claims to not remember, but I do.

Status: Sell
