Medium: Oil Paint on Canvas

Artist Statement

This piece “gluttony” is an ambitious jump for me. Inspired by the concept of the seven deadly sins and the classic oil paint masters, I chose a different composition and medium than what I’m used to. My goal as an artist has always been to be able to capture emotion and movement in my pieces so choosing this style has helped me improve a lot not only in the medium but also in depicting faces making complicated expressions.
